

Point Count Form - Southwest (Regions 1, 2, and 5)

Instructions: Point count duration is 5 minutes, split into a 3 minute segment followed by a 2 minute segment. During the first 3 minutes (Min 1-3) count all birds detected and during the last 2 minutes (Min 4-5) only count additional birds not detected in the previous 3 minutes. Record the highest level of breeding evidence observed.
